THE GREATER PINEBELT COMMUNITY FOUNDATION

HOW WE WORK

The PineBelt Foundation is funded in several ways. One way is through charitably minded people who choose to start an endowed fund to provide grants to support a community need that they are passionate about.

The PineBelt Foundation accepts a variety of gifts, including cash, stocks, life insurance, property and bequests, providing donors great flexibility and maximum tax benefits. The Foundation invests and manages these gifts and their proceeds.

WHO WE SERVE

The PineBelt Foundation exists to strengthen communities by connecting charitably minded people to causes that matter most. From the field of education, arts and culture, historic preservation, neighborhood enrichment, and from the hungry, the poor and the abused...we touch lives, one story at a time.

ENHANCING COMMUNITIES

The Greater PineBelt Community Foundation (PineBelt Foundation), a 501(c)(3), manages numerous charitable funds set up by compassionate donors who want to leave a legacy and make a difference. Some of our endowed funds include United Way, The DuBard School for Language Disorders, The Family YMCA and The Southern Pines Animal Shelter. Donor designated funds, donor advised funds, organizational funds and scholarship funds set up at the PineBelt Foundation truly enhance communities.

HISTORY

The PineBelt Foundation was founded in 1997 when several community leaders acted on their vision to bring a community foundation to the Pine Belt area to help meet community needs. Since that time, the Foundation has provided numerous grants to nonprofit organizations and has completed many community service projects – improving the quality of life across the Pine Belt.

We are among more than 700 U.S. community foundations. And, because of the flexibility and ease of use, community foundations represent one of the fastest growing areas of personal philanthropy.

PARTNERS OF THE FOUNDATION
