Harrison McClain Memorial Fund

Harrison was a student at Presbyterian Christian School and a member of Temple Baptist Church. He enjoyed basketball, the beach, Mexican food, playing video games, and spending time with his friends. He was a Duke TIP Finalist, an A+ student, and he played multiple sports over his lifetime. He loved his older brother Dylan dearly, and he was fiercely loyal to his family and friends.

Harrison suffered a life threatening stroke in August 2020 which required emergency brain surgery and a month in the hospital, followed by months of rehab. He had to relearn how to walk, swallow, and do other tasks but he continued to work extremely hard. He was considered a walking miracle, and, he eventually rejoined his basketball team for one special game, sinking a three pointer and a buzzer beater in the first quarter. Harrison's story was made public and he inspired others. He was never bitter, and he was thankful that he had the stroke because it made him closer to God and it helped others as well.

Unfortunately, Harrison was killed in a car accident on October 10, 2021. Harrison will be remembered for his sense of humor, his jump shot, his intelligence, his dance moves, and his love for God and for others.

In his last Christmas season, Harrison wrote letters and gave gift cards to UMC Children's Hospital in Jackson, MS. He wanted to help other children in the same way that he was helped. The Harrison McClain Memorial Fund was set up to continue these efforts in Harrison's memory. At this time, all donations will be used to support the UMC Children's Hospital Pediatric Neurology Unit.

Give to the Harrison McClain Memorial Fund

(Please detach this portion and return with your donation. Thank you!)
